598 West Georgia Street
Vancouver, BC V6B 2A3

LOOKING FOR A TALENTED INDIVIDUAL TO JOIN OUR TEAM

Henriquez Partners Architects Ltd. is dedicated to working closely with clients to create buildings that are culturally, economically and environmentally sustainable. It is our view that every project is an opportunity to enrich local communities by seamlessly integrating ethics and aesthetics.

We excel at large and complex mixed-use projects, such as the 1 million square foot TELUS Garden mixed-use development, Woodward's redevelopment, and most recently the Mirvish Village site at Bloor and Bathurst in Toronto. It is our philosophy that no building is too small if it contributes to society in a meaningful way as result, our portfolio also features an array of smaller, unique civic structures.

INTERIOR DESIGNER LEAD

We have an immediate opening for an Interior Designer with 5+ years' experience in all project phases including design, construction and project process from programming through to occupancy. The ideal candidate has previous experience in high-end multifamily and mixed-use interior design projects.

This is a full-time, permanent position located at our studio in downtown Vancouver, BC.
